

# Moving to Australia?

Before relocating to Australia, it is important that you gather as much information as you can about visas, job opportunities etc.'

The more you *know before you* go to Australia, the better you will be prepared and the easier you will adjust to life "Down Under".

The Job Club Centre, Inishowen Development Partnership is holding an Information Event in Buncrana and Carndonagh for anyone thinking of moving to Australia. The day may also be of interest to those who have family members moving to Australia. The event will give an overview on topics such as Visas, Finding a Job, Creating an appropriate CV . As the world is now a smaller place in which to live, we will give tips on the best ways of keeping in contact with family back in Ireland through setting up an email account, SKYPE, Facebook etc.
